FOR IMMEDIATE RELEASE
MEDIA ADVISORY/NEWS RELEASE

**VALTORC INTERNATIONAL PROVIDES 1500 AUTOMATED VALVES TO
LARGEST OIL REFINERY IN THE WORLD.**

Valtorc USA is proud to announce the sale of Valtorc USA made valves and valve automation products to the largest oil and gas refinery in the world.

Valtorc USA was commissioned to provide high performance automated valve packages in every phase of productions over the course of two years. In total, Valtorc USA will be providing over 1500 automated valve packages.

Valtorc USA's valve packages feature the series 110 ball valve along with Valtorc's series PA-2000 pneumatic actuator. For more information about these products, please visit www.valtorc.com.
